Activities

Home cooking

Hairdresser

Secure gardens

Snacks & drinks

Wifi

Temperature control

We offer residential care for older people, including those who are living with dementia. We offer both permanent and respite care, and care at the end of life.

At Finborough Court all rooms have a WC, with other separate assisted bathrooms and wet rooms. All rooms are fully furnished, with aerial and satellite TV and telephone access points. We believe it is important that residents enjoy a feeling of homeliness, so each resident is encouraged to personalise their room with their own belongings.

The dining room and main lounge are both located on the first floor. There is a sensory room lounge located on the first floor and another smaller lounge and kitchenette on the lower ground floor, opening out onto a patio and garden, accessible via the passenger lift. Families are welcome to use these spaces when they visit, including if they wish to host special occasions for their loved one.

The secure, wheelchair-friendly landscaped garden, which has both paved and grassed areas, some raised flower beds and a relaxing water feature, is accessed from the main lounge.

The main lounge is used for several activities, including arts and crafts, as well as devotional services and communion.

Relatives and friends are welcome to visit at any time during the day and there is the opportunity for them to purchase a meal in the home if they wish to do so by prior arrangement.

Relatives and friends are welcome to visit at any time during the day and there is the opportunity for them to purchase a meal in the home if they wish to do so, by prior arrangement.

Finborough Court is rated Good by the Care Quality Commission. For more information, you can find the report on the CQC website or at www.pilgrimsfriend.org.uk/finborough

Caring and highly trained staff

The Registered Care Manager, who is regulated by the Care Quality Commission, and Business Manager are responsible for the dedicated team of over 80 staff members.

Typically, Finborough Court has up to 12 carers and two senior carers on shift every day, alongside a Hummingbird. There are three carers on shift overnight.

We also have an Activities and Community Engagement Facilitator, Maintenance Officer, Catering Manager, Cooks and Housekeepers who work in different parts of the home – three in the kitchen, a team of three carrying out cleaning throughout the home and two people providing a laundry service. This team ensures

that the home is always clean and well presented, and that those who live with us have a well-laundered wardrobe.

Pilgrims' Friend Society puts in place excellent staff training, including from Altura, a Centre of Excellence with a suite of training courses covering a wide range of topics. To keep those who live with us safe, we also provide all care staff training in Manual Handling to Level 2 which is accredited by the Royal Society for the Prevention of Accidents (RoSPA).

We are supported by a central team consisting of Operations, Property Services, Finance, Marketing and Communications, and Human Resources.

Hummingbirds support those living with dementia by offering company and meaningful time, often reading with the residents, singing with them and praying with them.

The Way We Care

Our concern is for the welfare of the whole person – *emotional, physical, mental, social, and spiritual.*

The Way We Care is Pilgrims' Friend Society's bespoke approach to ensuring that older people have all that they need to flourish in their later years, especially as their physical needs increase. We are committed to seeing the whole person – the history, the experiences, the joys and the sorrows of life, and to knowing who the important people are who make up the bundle of each person's living.

The Way We Care is grounded in our Christian faith and draws inspiration from the Bible. Every part of what The Way We Care looks like in the daily lives of our care homes is rooted in how the Bible tells us to treat and support others around us.

“ They will still bear fruit in old age, they will stay fresh and green...”

Psalm 92:14

Person-centred *care*

It is important to us that those who live with us lead fulfilled lives through the excellent care and services we provide. Before someone comes to live with us, we meet with them to complete a full and comprehensive care needs assessment to identify what the individual care needs, interests, and choices are and to ensure we can meet them.

Once someone has moved in a senior member of the care team will further discuss their needs with them (and/or their advocate) and will create an individually tailored electronic Care Plan which is easy to understand and covers everything relating to their personal care. It also records their social interests, personal relationships, hobbies, and emotional, spiritual and cultural needs.

The Care Plan is regularly reviewed by the senior care staff, together with the residents (and/or their advocate), to discuss any changes needed and to make sure all the residents' current needs are met. We want those living with us to be involved in decisions and be able to discuss their affairs, alongside their relative or advocate, knowing that information is kept strictly in confidence.

We support those who live with us to remain as independent as possible, but our care team also provide support with activities such as bathing, dressing and mealtimes for those who need it. Residents can specify male or female care staff and, depending on the gender mix of the team, we will aim to meet this request.

Alongside the network of healthcare professionals, and with input from our specialist Care Leads and Catering Manager, a range of special diets and needs are catered for. We also have regular visits from a chiropodist and a hairdresser, and we can escort residents to appointments.

We meet regularly with those who live with us to talk about the activities and social life of the home, and their views are sought on every aspect of life in the home as part of our Quality Assurance system.

“The team go the second mile again and again.”

Whole person care in a family atmosphere

At Finborough Court we have an active social life in which residents can take part or follow their own pursuits. Planned together with residents and our dedicated volunteers, a program of in-house and external activities, led by the Activities and Community Engagement Facilitator, takes place every month. Our activities include quizzes and games, singing, flower arranging, armchair exercises, outside musicians/groups, crafts, a visiting librarian and lots more.

We have main devotions in the lounge which are led by staff and local ministers. We have

morning devotions in the lounge, led by our wonderful Activities Coordinator and other staff, as well as Sunday devotions and communion led by local church leaders. We also provide support for personal devotion and prayer.

We organise trips out, for those who are able, as well as inviting local schools and playgroups in for singing and craft, which helps to keep those who live with us in touch with their local community.

About Pilgrims' Friend Society

Rooted in our Christian faith, at Pilgrims' Friend Society we believe that as well as providing secure, comfortable homes and professional care, older people can be supported and encouraged to spend the later part of their lives contributing to the world around them, growing and enjoying fulfilling lives.

We have been supporting older people to flourish for more than 200 years, since a group of Christians concerned about "the aged and infirm Christian poor" established the Aged Pilgrims' Friend Society in 1807. We started off by providing pensions and support through volunteer visits before developing housing and care schemes for older Christians.

Today we continue that legacy by running residential care homes and independent living housing schemes around the UK, providing environments in which older people are comfortable and secure, whether they need care or are living independently.

We are committed to developing the work to support fulfilled living in later years through our Growth and Renewal Programme which is working to see brand new state-of-the-art homes being built to support Christian care, and ensuring our existing buildings are continually improved and maintained.

**“ Even to your
old age and grey hairs
I am He, I am He who
will sustain you.”**

Isaiah 46:4

*Pilgrims' Friend Society is a
Christian charity, rooted in the Bible.*

What we *believe*

We believe that the teachings of the Bible are our sole and final authority.

We believe that there is one God in three persons, Father, Son and Holy Spirit.

The good news of the gospel is that, although men and women are sinners, God has taken the initiative to save people from every tribe, tongue and nation. We believe that God will bring about the redemption of all things.

God sent Jesus Christ, His Son, to be our Saviour. Jesus became fully human and, at the same time, remained fully God.

Jesus came to buy us back from sin and death by living a perfect life, having no sin, and dying in our place on the cross.

But God's grace did not stop there. When Jesus ascended to heaven, the Holy Spirit was given by God to continue His work on earth.

It is this Holy Spirit who gives us new birth and brings us to repentance and faith in the Son. When the Spirit has begun such a good work in someone, He will bring it to completion.

At the time appointed by God, Jesus will return to earth in glory. He will raise the dead and judge all people. He will banish those not known to Him and He will take His people to be with Him in eternal glory in the new heavens and earth.

Where to find us

By road: leave Junction 50 on the A14, take the A1120 and follow signs for the A1308 (B1115) to Great Finborough.

By train: Stowmarket Train Station located at Station Road East, Stowmarket IP14 1RQ, is three miles from Finborough Court by taxi. There is a taxi rank located just outside the main station entrance.
